SLC602

ZigBee Wireless Switch

#### Main Features

- ZigBee HA1.2 compliant
- ZigBee ZLL compliant
- Wireless On/Off switch
- Easy to be installed or adhered anywhere in the house
- Extremely low power consumption

#### Main Specifications

Wireless Connectivity	<ul style="list-style-type: none"> <li>• ZigBee 2.4GHz IEEE 802.15.4</li> </ul>
RF Characteristics	<ul style="list-style-type: none"> <li>• Operating frequency: 2.4GHz</li> <li>• Internal PCB Antenna</li> <li>• Range outdoor/indoor: 100m/30m</li> </ul>
ZigBee Profile	<ul style="list-style-type: none"> <li>• Home Automation Profile (optional)</li> <li>• ZigBee Light Link Profile (optional)</li> </ul>
Battery	<ul style="list-style-type: none"> <li>• Type: 2 x AAA batteries</li> <li>• Voltage: 3V</li> <li>• Battery Life: 1 year</li> </ul>
Dimensions	<ul style="list-style-type: none"> <li>• Diameter: 80mm</li> <li>• Thickness: 18mm</li> </ul>
Weight	<ul style="list-style-type: none"> <li>• 52 g</li> </ul>
